General disclaimer on the synthesised text document

This document presents the synthesised text for the application of the Convention between the Grand Duchy of Luxembourg and Hungary for the avoidance of double taxation and the prevention of fiscal evasion with respect to taxes on income and on capital signed on 10 March 2015 (the “Convention”), as modified by the Multilateral Convention to Implement Tax Treaty Related Measures to Prevent Base Erosion and Profit Shifting signed by Luxembourg on 7 June 2017 and by Hungary on 7 June 2017 (the “MLI”).

The document was prepared on the basis of the MLI position of Luxembourg submitted to the Depositary upon ratification on 9 April 2019 and of the MLI position of Hungary submitted to the Depositary upon ratification on 25 March 2021. These MLI positions are subject to modifications as provided in the MLI. Modifications made to MLI positions could modify the effects of the MLI on the Convention.

The authentic legal texts of the Convention and the MLI take precedence and remain the legal texts applicable.

The provisions of the MLI that are applicable with respect to the provisions of the Convention are included in boxes throughout the text of this document in the context of the relevant provisions of the Convention. The boxes containing the provisions of the MLI have generally been inserted in accordance with the ordering of the provisions of the 2017 OECD Model Tax Convention.

Changes to the text of the provisions of the MLI have been made to conform the terminology used in the MLI to the terminology used in the Convention (such as “Covered Tax Agreement” and “Convention”, “Contracting Jurisdictions” and “Contracting States”), to ease the comprehension of the provisions of the MLI. The changes in terminology are intended to increase the readability of the document and are not intended to change the substance of the provisions of the MLI. Similarly, changes have been made to parts of provisions of the MLI that describe existing provisions of the Convention: descriptive language has been replaced by legal references of the existing provisions to ease the readability.

In all cases, references made to the provisions of the Convention or to the Convention must be understood as referring to the Convention as modified by the provisions of the MLI, provided such provisions of the MLI have taken effect.

1. Nationals of a Contracting State shall not be subjected in the other Contracting State to any taxation or any requirement connected therewith, which is other or more burdensome than the taxation and connected requirements to which nationals of that other State in the same circumstances, in particular with respect to residence, are or may be subjected. This provision shall, notwithstanding the provisions of Article 1, also apply to persons who are not residents of one or both of the Contracting States.
2. Stateless persons who are residents of a Contracting State shall not be subjected in either Contracting State to any taxation or any requirement connected therewith, which is other or more burdensome than the taxation and connected requirements to which nationals of the State concerned in the same circumstances, in particular with respect to residence, are or may be subjected.
3. The taxation on a permanent establishment which an enterprise of a Contracting State has in the other Contracting State shall not be less favourably levied in that other State than the taxation levied on enterprises of that other State carrying on the same

activities. This provision shall not be construed as obliging a Contracting State to grant to residents of the other Contracting State any personal allowances, reliefs and reductions for taxation purposes on account of civil status or family responsibilities which it grants to its own residents.

4. Except where the provisions of paragraph 1 of Article 9, paragraph 4 of Article 11, or paragraph 4 of Article 12, apply, interest, royalties and other disbursements paid by an enterprise of a Contracting State to a resident of the other Contracting State shall, for the purpose of determining the taxable profits of such enterprise, be deductible under the same conditions as if they had been paid to a resident of the first-mentioned State. Similarly, any debts of an enterprise of a Contracting State to a resident of the other Contracting State shall, for the purpose of determining the taxable capital of such enterprise, be deductible under the same conditions as if they had been contracted to a resident of the first-mentioned Contracting State.
5. Enterprises of a Contracting State, the capital of which is wholly or partly owned or controlled, directly or indirectly, by one or more residents of the other Contracting State, shall not be subjected in the first-mentioned Contracting State to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which other similar enterprises of the first-mentioned State are or may be subjected.
6. The provisions of this Article shall, notwithstanding the provisions of Article 2, apply to taxes of every kind and description.

Article 25

MUTUAL AGREEMENT PROCEDURE

1. Where a person considers that the actions of one or both of the Contracting States result or will result for him in taxation not in accordance with the provisions of this Convention, he may, irrespective of the remedies provided by the domestic law of those States, present his case to the competent authority of the Contracting State of which he is a resident or, if his case comes under paragraph 1 of Article 24, to that of the Contracting State of which he is a national. The case must be presented within three years from the first notification of the action resulting in taxation not in accordance with the provisions of the Convention.
2. The competent authority shall endeavour, if the objection appears to it to be justified and if it is not itself able to arrive at a satisfactory solution, to resolve the case by mutual agreement with the competent authority of the other Contracting State, with a view to the avoidance of taxation which is not in accordance with the Convention. Any agreement reached shall be implemented notwithstanding any time limits in the domestic law of the Contracting States.
3. The competent authorities of the Contracting States shall endeavour to resolve by mutual agreement any difficulties or doubts arising as to the interpretation or application of the Convention. They may also consult together for the elimination of double taxation in cases not provided for in the Convention.

4. The competent authorities of the Contracting States may communicate with each other directly, including through a joint commission consisting of themselves or their representatives, for the purpose of reaching an agreement in the sense of the preceding paragraphs.

The following Part VI of the MLI applies to this Convention:¹²

PART VI OF THE MLI (ARBITRATION)

Article 19 (Mandatory Binding Arbitration) of the MLI

1. Where:

- a) under [paragraph 1 of Article 25 of this Convention], a person has presented a case to the competent authority of a [Contracting State] on the basis that the actions of one or both of the [Contracting States] have resulted for that person in taxation not in accordance with the provisions of [the Convention]; and
- b) the competent authorities are unable to reach an agreement to resolve that case pursuant to [paragraph 2 of Article 25 of the Convention], within a period of two years beginning on the start date referred to in paragraph 8 or 9 [of Article 19 of the MLI], as the case may be (unless, prior to the expiration of that period the competent authorities of the [Contracting States] have agreed to a different time period with respect to that case and have notified the person who presented the case of such agreement),

any unresolved issues arising from the case shall, if the person so requests in writing, be submitted to arbitration in the manner described in [Part VI of the MLI], according to any rules or procedures agreed upon by the competent authorities of the [Contracting States] pursuant to the provisions of [paragraph 10 of Article 19 of the MLI].

2. Where a competent authority has suspended the mutual agreement procedure referred to in paragraph 1 [of Article 19 of the MLI] because a case with respect to one or more of the same issues is pending before court or administrative tribunal, the period provided in subparagraph b) of paragraph 1 [of Article 19 of the MLI] will stop running until either a final decision has been rendered by the court or administrative tribunal or the case has been suspended or withdrawn. In addition, where a person who presented a case and a competent authority have agreed to suspend the mutual agreement procedure, the period provided in subparagraph b) of paragraph 1 [of Article 19 of the MLI] will stop running until the suspension has been lifted.

3. Where both competent authorities agree that a person directly affected by the case has failed to provide in a timely manner any additional material information requested by either competent authority after the start of the period provided in subparagraph b) of paragraph 1

¹ In accordance with paragraph 1 of Article 36 of the MLI, the provisions of Part VI (Arbitration) of the MLI have effect with respect to this Convention with respect to cases presented to the competent authority of a Contracting State on or after 1 July 2021.

² In accordance with paragraph 2 of Article 36 of the MLI, the provisions of Part VI (Arbitration) of the MLI apply to a case presented to the competent authority of a Contracting State prior to 1 July 2021 only to the extent that the competent authorities of both Contracting States agree that it will apply to that specific case.

[of Article 19 of the MLI], the period provided in subparagraph b) of paragraph 1 [of Article 19 of the MLI] shall be extended for an amount of time equal to the period beginning

on the date by which the information was requested and ending on the date on which that information was provided.

4. a) The arbitration decision with respect to the issues submitted to arbitration shall be implemented through the mutual agreement concerning the case referred to in paragraph 1 [of Article 19 of the MLI]. The arbitration decision shall be final.

b) The arbitration decision shall be binding on both [Contracting States] except in the following cases:

i) if a person directly affected by the case does not accept the mutual agreement that implements the arbitration decision. In such a case, the case shall not be eligible for any further consideration by the competent authorities. The mutual agreement that implements the arbitration decision on the case shall be considered not to be accepted by a person directly affected by the case if any person directly affected by the case does not, within 60 days after the date on which notification of the mutual agreement is sent to the person, withdraw all issues resolved in the mutual agreement implementing the arbitration decision from consideration by any court or administrative tribunal or otherwise terminate any pending court or administrative proceedings with respect to such issues in a manner consistent with that mutual agreement.

ii) if a final decision of the courts of one of the [Contracting States] holds that the arbitration decision is invalid. In such a case, the request for arbitration under paragraph 1 [of Article 19 of the MLI] shall be considered not to have been made, and the arbitration process shall be considered not to have taken place (except for the purposes of Articles 21 (Confidentiality of Arbitration Proceedings) and 25 (Costs of Arbitration Proceedings) [of the MLI]). In such a case, a new request for arbitration may be made unless the competent authorities agree that such a new request should not be permitted.

iii) if a person directly affected by the case pursues litigation on the issues which were resolved in the mutual agreement implementing the arbitration decision in any court or administrative tribunal.

5. The competent authority that received the initial request for a mutual agreement procedure as described in subparagraph a) of paragraph 1 [of Article 19 of the MLI] shall, within two calendar months of receiving the request:

a) send a notification to the person who presented the case that it has received the request; and

b) send a notification of that request, along with a copy of the request, to the competent authority of the other [Contracting State].

6. Within three calendar months after a competent authority receives the request for a mutual agreement procedure (or a copy thereof from the competent authority of the other [Contracting State]) it shall either:

- a) notify the person who has presented the case and the other competent authority that it has received the information necessary to undertake substantive consideration of the case; or
- b) request additional information from that person for that purpose.

7. Where pursuant to subparagraph b) of paragraph 6 [of Article 19 of the MLI], one or both of the competent authorities have requested from the person who presented the case additional information necessary to undertake substantive consideration of the case, the competent authority that requested the additional information shall, within three calendar months of receiving the additional information from that person, notify that person and the other competent authority either:

- a) that it has received the requested information; or
- b) that some of the requested information is still missing.

8. Where neither competent authority has requested additional information pursuant to subparagraph b) of paragraph 6 [of Article 19 of the MLI], the start date referred to in paragraph 1 [of Article 19 of the MLI] shall be the earlier of:

- a) the date on which both competent authorities have notified the person who presented the case pursuant to subparagraph a) of paragraph 6 [of Article 19 of the MLI]; and
- b) the date that is three calendar months after the notification to the competent authority of the other [Contracting State] pursuant to subparagraph b) of paragraph 5 [of Article 19 of the MLI].

9. Where additional information has been requested pursuant to subparagraph b) of paragraph 6 [of Article 19 of the MLI], the start date referred to in paragraph 1 [of Article 19 of the MLI] shall be the earlier of:

- a) the latest date on which the competent authorities that requested additional information have notified the person who presented the case and the other competent authority pursuant to subparagraph a) of paragraph 7 [of Article 19 of the MLI]; and
- b) the date that is three calendar months after both competent authorities have received all information requested by either competent authority from the person who presented the case.

If, however, one or both of the competent authorities send the notification referred to in subparagraph b) of paragraph 7 [of Article 19 of the MLI], such notification shall be treated as a request for additional information under subparagraph b) of paragraph 6 [of Article 19 of the MLI].

10. The competent authorities of the [Contracting States] shall by mutual agreement pursuant to [Article 25 of the Convention] settle the mode of application of the provisions contained in [Part VI of the MLI], including the minimum information necessary for each competent authority to undertake substantive consideration of the case. Such an agreement shall be concluded before the date on which unresolved issues in a case are first eligible to be submitted to arbitration and may be modified from time to time thereafter.

12. Notwithstanding the other provisions of [Article 19 of the MLI],

- a) any unresolved issue arising from a mutual agreement procedure case otherwise within the scope of the arbitration process provided for by [the MLI] shall not be submitted to arbitration, if a decision on this issue has already been rendered by a court or administrative tribunal of either [Contracting State];
- b) if, at any time after a request for arbitration has been made and before the arbitration panel has delivered its decision to the competent authorities of the [Contracting States], a decision concerning the issue is rendered by a court or administrative tribunal of one of the [Contracting States], the arbitration process shall terminate.

Article 20 (Appointment of Arbitrators) of the MLI

1. Except to the extent that the competent authorities of the [Contracting States] mutually agree on different rules, paragraphs 2 through 4 [of Article 20 of the MLI] shall apply for the purposes of [Part VI of the MLI].

2. The following rules shall govern the appointment of the members of an arbitration panel:

- a) The arbitration panel shall consist of three individual members with expertise or experience in international tax matters.
- b) Each competent authority shall appoint one panel member within 60 days of the date of the request for arbitration under paragraph 1 of Article 19 [of the MLI]. The two panel members so appointed shall, within 60 days of the latter of their appointments, appoint a third member who shall serve as Chair of the arbitration panel. The Chair shall not be a national or resident of either [Contracting State].
- c) Each member appointed to the arbitration panel must be impartial and independent of the competent authorities, tax administrations, and ministries of finance of the [Contracting States] and of all persons directly affected by the case (as well as their advisors) at the time of accepting an appointment, maintain his or her impartiality and independence throughout the proceedings, and avoid any conduct for a reasonable period of time thereafter which may damage the appearance of impartiality and independence of the arbitrators with respect to the proceedings.

3. In the event that the competent authority of a [Contracting State] fails to appoint a member of the arbitration panel in the manner and within the time periods specified in paragraph 2 [of Article 20 of the MLI] or agreed to by the competent authorities of the [Contracting States], a member shall be appointed on behalf of that competent authority by the highest ranking official of the Centre for Tax Policy and Administration of the Organisation

for Economic Co-operation and Development that is not a national of either [Contracting State].

4. If the two initial members of the arbitration panel fail to appoint the Chair in the manner and within the time periods specified in paragraph 2 [of Article 20 of the MLI] or agreed to by the competent authorities of the [Contracting States], the Chair shall be appointed by the highest ranking official of the Centre for Tax Policy and Administration of the Organisation for Economic Co-operation and Development that is not a national of either [Contracting State].

Article 21 (Confidentiality of Arbitration Proceedings) of the MLI

1. Solely for the purposes of the application of the provisions of [Part VI of the MLI] and of the provisions of [the Convention] and of the domestic laws of the [Contracting States] related to the exchange of information, confidentiality, and administrative assistance, members of the arbitration panel and a maximum of three staff per member (and prospective arbitrators solely to the extent necessary to verify their ability to fulfil the requirements of arbitrators) shall be considered to be persons or authorities to whom information may be disclosed. Information received by the arbitration panel or prospective arbitrators and information that the competent authorities receive from the arbitration panel shall be considered information that is exchanged under the provisions of [the Convention] related to the exchange of information and administrative assistance.

2. The competent authorities of the [Contracting States] shall ensure that members of the arbitration panel and their staff agree in writing, prior to their acting in an arbitration proceeding, to treat any information relating to the arbitration proceeding consistently with the confidentiality and nondisclosure obligations described in the provisions of [the Convention] related to exchange of information and administrative assistance and under the applicable laws of the [Contracting States].

Article 22 (Resolution of a Case Prior to the Conclusion of the Arbitration) of the MLI

For the purposes of [Part VI of the MLI] and the provisions of [the Convention] that provide for resolution of cases through mutual agreement, the mutual agreement procedure, as well as the arbitration proceeding, with respect to a case shall terminate if, at any time after a request for arbitration has been made and before the arbitration panel has delivered its decision to the competent authorities of the [Contracting States]:

- a) the competent authorities of the [Contracting States] reach a mutual agreement to resolve the case; or
- b) the person who presented the case withdraws the request for arbitration or the request for a mutual agreement procedure.

Article 23 (Type of Arbitration Process) of the MLI

Independent opinion arbitration

2. Except to the extent that the competent authorities of the [Contracting States] mutually agree on different rules, the following rules shall apply with respect to an arbitration proceeding:

- a) After a case is submitted to arbitration, the competent authority of each [Contracting State] shall provide any information that may be necessary for the arbitration decision to all panel members without undue delay. Unless the competent authorities of the [Contracting States] agree otherwise, any information that was not available to both competent authorities before the request for arbitration was received by both of them shall not be taken into account for purposes of the decision.
 - b) The arbitration panel shall decide the issues submitted to arbitration in accordance with the applicable provisions of [the Convention] and, subject to these provisions, of those of the domestic laws of the [Contracting States]. The panel members shall also consider any other sources which the competent authorities of the [Contracting States] may by mutual agreement expressly identify.
 - c) The arbitration decision shall be delivered to the competent authorities of the [Contracting States] in writing and shall indicate the sources of law relied upon and the reasoning which led to its result. The arbitration decision shall be adopted by a simple majority of the panel members. The arbitration decision shall have no precedential value.
5. Prior to the beginning of arbitration proceedings, the competent authorities of the [Contracting States] shall ensure that each person that presented the case and their advisors agree in writing not to disclose to any other person any information received during the course of the arbitration proceedings from either competent authority or the arbitration panel. The mutual agreement procedure under [the Convention], as well as the arbitration proceeding under [Part VI of the MLI], with respect to the case shall terminate if, at any time after a request for arbitration has been made and before the arbitration panel has delivered its decision to the competent authorities of the [Contracting States], a person that presented the case or one of that person's advisors materially breaches that agreement.

Paragraph 2 of Article 24 (Agreement on a Different Resolution) of the MLI

2. Notwithstanding paragraph 4 of Article 19 [of the MLI], an arbitration decision pursuant to [Part VI of the MLI] shall not be binding on the [Contracting States] and shall not be implemented if the competent authorities of the [Contracting States] agree on a different resolution of all unresolved issues within three calendar months after the arbitration decision has been delivered to them.

Article 25 (Costs of Arbitration Proceedings) of the MLI

In an arbitration proceeding under [Part VI of the MLI], the fees and expenses of the members of the arbitration panel, as well as any costs incurred in connection with the arbitration proceedings by the [Contracting States], shall be borne by the [Contracting States] in a manner to be settled by mutual agreement between the competent authorities of the [Contracting States]. In the absence of such agreement, each [Contracting State] shall bear its own expenses and those of its appointed panel member. The cost of the chair of the arbitration panel and other expenses associated with the conduct of the arbitration proceedings shall be borne by the [Contracting States] in equal shares.

Paragraphs 2 and 3 of Article 26 (Compatibility) of the MLI

2. Any unresolved issue arising from a mutual agreement procedure case otherwise within the scope of the arbitration process provided for in *[Part VI of the MLI]* shall not be submitted to arbitration if the issue falls within the scope of a case with respect to which an arbitration panel or similar body has previously been set up in accordance with a bilateral or multilateral convention that provides for mandatory binding arbitration of unresolved issues arising from a mutual agreement procedure case.

3. *[Nothing]* in *[Part VI of the MLI]* shall affect the fulfilment of wider obligations with respect to the arbitration of unresolved issues arising in the context of a mutual agreement procedure resulting from other conventions to which the *[Contracting States]* are or will become parties.

Subparagraph a) of paragraph 2 of Article 28 of the MLI

Pursuant to subparagraph a) of paragraph 2 of Article 28 of the MLI, Hungary formulates the following reservations with respect to the scope of cases that shall be eligible for arbitration under the provisions of Part VI of the MLI:

1. Hungary reserves the right to exclude from the scope of Part VI any case that falls within the scope of application of the Convention on the Elimination of Double Taxation in Connection with the Adjustment of Profits of Associated Enterprises (90/436/EEC) as amended or any subsequent regulation replacing, amending or updating these rules.

2. Hungary reserves the right to exclude from the scope of Part VI any case that falls within the scope of application of the COUNCIL DIRECTIVE (EU) 2017/1852 of 10 October 2017 on tax dispute resolution mechanisms in the European Union or any subsequent regulation replacing, amending or updating these rules.

3. Hungary reserves the right to exclude from the scope of Part VI – on a case-by-case basis – any case where penalties were imposed in relation to the adjusted income or capital for tax fraud, wilful default and gross negligence in accordance with Hungary's domestic rules included in Section 41/J. paragraph (12) of the Act XXXVII of 2013 on Certain Rules of International Administrative Cooperation in Relation to Taxes and Other Public Duties. Any subsequent provision replacing, amending or updating these rules would also be included in this reservation. Hungary shall notify the Depositary of any such subsequent provision.

4. Hungary reserves the right to exclude from the scope of Part VI any case which the competent authorities of both Contracting Jurisdictions agree that are not suitable for arbitration. Such agreement shall be reached before the date on which arbitration proceedings would otherwise have begun and shall be notified to the person who presented the case.

5. Hungary reserves the right to exclude from the scope of Part VI any case which relates to questions of dispute relating to income or capital earned in a tax year commencing before 1 January 2018.

Article 26

EXCHANGE OF INFORMATION

1. The competent authorities of the Contracting States shall exchange such information as is foreseeably relevant for carrying out the provisions of this Convention or to the administration or enforcement of the domestic laws concerning taxes of every kind and description imposed on behalf of the Contracting States, or of their local authorities, insofar as the taxation thereunder is not contrary to the Convention. The exchange of information is not restricted by Articles 1 and 2.
2. Any information received under paragraph 1 by a Contracting State shall be treated as secret in the same manner as information obtained under the domestic laws of that State and shall be disclosed only to persons or authorities (including courts and administrative bodies) concerned with the assessment or collection of, the enforcement or prosecution in respect of, the determination of appeals in relation to the taxes referred to in paragraph 1, or the oversight of the above. Such persons or authorities shall use the information only for such purposes. They may disclose the information in public court proceedings or in judicial decisions.
3. In no case shall the provisions of paragraphs 1 and 2 be construed so as to impose on a Contracting State the obligation :
 - (a) to carry out administrative measures at variance with the laws and administrative practice of that or of the other Contracting State ;
 - (b) to supply information which is not obtainable under the laws or in the normal course of the administration of that or of the other Contracting State ;
 - (c) to supply information which would disclose any trade, business, industrial, commercial or professional secret or trade process, or information the disclosure of which would be contrary to public policy (ordre public).
4. If information is requested by a Contracting State in accordance with this Article, the other Contracting State shall use its information gathering measures to obtain the requested information, even though that other State may not need such information for its own tax purposes. The obligation contained in the preceding sentence is subject to the limitations of paragraph 3 but in no case shall such limitations be construed to permit a Contracting State to decline to supply information solely because it has no domestic interest in such information.
5. In no case shall the provisions of paragraph 3 be construed to permit a Contracting State to decline to supply information solely because the information is held by a bank, other financial institution, nominee or person acting in an agency or a fiduciary capacity or because it relates to ownership interests in a person.

Article 27

MEMBERS OF DIPLOMATIC MISSIONS AND CONSULAR POSTS

Nothing in this Convention shall affect the fiscal privileges of members of diplomatic missions or consular posts under the general rules of international law or under the provisions of special agreements.

The following paragraph 1 of Article 7 of the MLI applies and supersedes the provisions of this Convention :

ARTICLE 7 OF THE MLI – PREVENTION OF TREATY ABUSE

(Principal purposes test provision)

Notwithstanding any provisions of *[the Convention]*, a benefit under *[the Convention]* shall not be granted in respect of an item of income or capital if it is reasonable to conclude, having regard to all relevant facts and circumstances, that obtaining that benefit was one of the principal purposes of any arrangement or transaction that resulted directly or indirectly in that benefit, unless it is established that granting that benefit in these circumstances would be in accordance with the object and purpose of the relevant provisions of *[the Convention]*.

The following paragraph 4 of Article 7 of the MLI applies to paragraph 1 of Article 7 of the MLI :

Where a benefit under *[the Convention]* is denied to a person under *[paragraph 1 of Article 7 of the MLI]*, the competent authority of the *[Contracting State]* that would otherwise have granted this benefit shall nevertheless treat that person as being entitled to this benefit, or to different benefits with respect to a specific item of income or capital, if such competent authority, upon request from that person and after consideration of the relevant facts and circumstances, determines that such benefits would have been granted to that person in the absence of the transaction or arrangement referred to in *[paragraph 1 of Article 7 of the MLI]*. The competent authority of the *[Contracting State]* to which a request has been made under this paragraph by a resident of the other *[Contracting State]* shall consult with the competent authority of that other *[Contracting State]* before rejecting the request.

Article 28

ENTRY INTO FORCE

1. Each of the Contracting States shall notify each other in writing, through diplomatic channels of the completion of the procedures required by its law for the bringing into force of this Convention.

3. Upon the entry into force of this Convention, the Convention between the Republic of Hungary and the Grand Duchy of Luxembourg for the avoidance of double taxation with respect to taxes on income and on capital and the Protocol, signed at Budapest on 15th January 1990, shall be terminated and cease to have effect :
 - (a) in respect of taxes withheld at source, to income derived on or after 1 January of the calendar year next following the year in which this Convention enters into force;

(b) in respect of other taxes on income and on capital, to taxes chargeable for any tax year beginning on or after 1 January of the calendar year next following the year in which this Convention enters into force.

Article 29

TERMINATION

Either Contracting State may terminate the Convention through diplomatic channels, by giving notice of termination at least six months before the end of any calendar year beginning after the expiration of a period of five years from the date of its entry into force.
2. In such event, this Convention shall cease to have effect in both Contracting States:
 - (a) in respect of taxes withheld at source, to income derived on or after 1 January of the calendar year next following the year in which the notice is given;
 - (b) in respect of other taxes on income and taxes on capital, to taxes chargeable for any tax year beginning on or after 1 January of the calendar year next following the year in which the notice is given.
