	(10% of the total gross remuneration)				

- 1) A certificate from the National employment agency certifying the placement and continuation of employment must be attached for each employee.
- 2) The end of the period of employment refers to either the closing date of the financial year or the date on which the employment contract ended.
- 3) If the closing date of the financial year does not coincide with the end of the calendar year, the remunerations paid during the financial year must be entered.
